Information regarding Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo pursuant to Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988 and forming part of Directors' Report.

A. CONSERVATION OF ENERGY

Energy conservation is a very important part of energy planning and its management. This not only saves energy resources for future but also avoids wasteful utilization of energy. Energy conservation initiatives provide solution to the energy crisis, environmental degradation and pollution.

New energy initiatives give greater reliance on non-exhaustible and non-conventional resources of energy in order to conserve exhaustible & conventional resources like coal, petroleum, natural gas etc. Another aspect of energy conservation is to give greater importance on reduction in consumption of energy.

This can be achieved by inculcating change in the individual habits and adoption of latest technology available in vogue. There is a growing gap between supply and demand of electrical power. Needless to say the use of fossil fuels is accompanied with severe and several environmental damages. Due to the liberalization measures of the Government of India, the industrial sector is rapidly growing, thus increasing the energy demand enormously.

In the short run, the only solution to the growing energy deficit is to facilitate good energy saving measures through conservation of power, fuel and water. As industries are the major gutters/ consumers of these resources, the onus should lie on the industrial sector to limit & minimize its demand for energy. The need of the hour is to conserve and preserve the energy resources for future of the mankind.

Your Company is not covered in the Schedule of Industries under rule 2 of the Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988, requiring furnishing of information relating to conservation of energy. However realizing its importance, the Company has launched a concerted drive for conserving energy. Replacement of worn out wires, control of idle running of engines, and plugging of leakage were some of the measures taken. Besides the measures already taken, efforts are continuing to examine and implement fresh proposals for further conservation of energy. Positive impact of measures already taken has been observed on the costs.

B. TECHNOLOGY ABSORPTION

Company is NBFC so Technology Absorption has not been applicable here.

C. FOREIGN EXCHANGE EARNINGS AND OUTGO

The Company has not earned any income in foreign exchange nor incurred any expenditure in foreign currency during the year under review.

**Independent Auditors' Report
To the members of Smart Finsec Limited
Report on the Audit of the Standalone Financial Statements**

Opinion

We have audited the accompanying standalone Ind AS Financial Statements of **Smart Finsec Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date, and notes to the standalone Ind AS financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules 2015 as amended ("Ind AS") and other accounting Principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit/loss including other comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under; and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters in our report.

Information other than the Financial Statements and Auditors' Report thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern
- v) Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated in with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - A. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - B. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - C. The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Statement of Cash Flow and the Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.

ANNEXURE B TO THE AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF SMART FINSEC LIMITED ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (i) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT").

We have audited the internal financial controls with reference to standalone Ind AS financial statements of **SMART FINSEC LIMITED** ("the Company") as of 31 March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of internal financial controls with reference to financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the effectiveness of the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the standalone financial statements for the year ended March 31, 2022

1. Basis of accounting and preparation of Financial Statements

A. Corporate Overview

Smart Finsec Limited (The "Company") (Corporate ID No. L74899DL1995PLC063562), is a Company limited by shares, was incorporated on 2nd May 1995 and domiciled in India. The shares of the Company are listed on Bombay Stock Exchange (BSE). The Company is mainly engaged in the business of lending small loans and investments in stocks, securities and bonds. The Company is a non-deposit taking Non Banking Finance Company (NBFC) and registered with Reserve Bank of India.

B. Basis of preparation of accounts

The Company has prepared its financial statements in accordance with the Indian Accounting Standards (Ind AS) as prescribed in the Companies (Indian Accounting Standards) Rules 2015 as amended from time to time and notified under the Section 133 of the Companies Act, 2013, (Act) along with other relevant provisions of the Act, the Master Direction- Non Banking Financial Company- non-deposit taking (Reserve Bank) directions 2016.

The standalone financial statements are presented in Indian Rupee which is also the functional currency of the Company, in denomination of thousand with rounding off to two decimals as permitted by Schedule III to the Act. The financial statements have been prepared on accrual basis on historical cost convention, except for certain financial instruments that are measured at fair value or as stated otherwise.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use with those of the previous year.

The financial statements are prepared on a going concern basis, as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources. The outbreak of COVID-19 has not affected the going concern assumption of the Company.

The Company presents its Balance Sheet in order of liquidity. The Company prepares and present its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows' The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature

C. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principle requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon the Management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods

a. Property, plant and equipment

Useful lives of the tangible assets are based on the life prescribed in Schedule II of the Companies Act 2013. Assumptions are also made, when company assesses, whether an assets may be capitalised and which components of the cost of the assets may capitalised.

b. Provision for contingencies

Provision for expense related liabilities is made on the basis of Management judgement and estimation for possible outflow of resources, if any, in respect of:

Contingencies/claim/litigations against the Company.

2. Significant accounting policies

A. Property, plant and equipment

Property, plant and equipment are stated at original cost net of tax/ duty credit availed, less accumulated depreciation and accumulated impairment losses, when significant part of the property, plant and equipment are required to replace at intervals, the company derecognized the replaced part and recognized the new parts with its own associated useful life and it depreciated accordingly. Likewise when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance cost are

recognized in the statement of the profit and loss as incurred. The present value of the expected cost for the decommissioning of the asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Property, plant and equipment are derecognised from the financial statement, either on disposal or when no economic benefits are expected from its use or disposed. Losses arising in the case of retirement of property, plant and equipment and gain or losses arising from disposal of property, plant and equipment are recognized in the statement of profit and loss in the year of occurrence.

B. Inventories

Inventory includes shares, securities and stock in trade.

- a) Inventories are valued at lower of cost or net realisable value. Cost includes purchase price, taxes (excluding those subsequently recoverable by the enterprise from the concerned revenue authorities), and other expenditure incurred in bringing such inventories to their present location and condition.
- b) Net realisable value is the estimated selling price in the ordinary course of business.
- c) The comparison of cost or net realisable value is made on every type of security.

C. Investments

Investments are classified into long term investments and current investments. Investments that are intended to be held for one year or more are classified as long-term investments and investments that are intended to be held for less than one year are classified as current investments. Long term investments are valued at fair market value through profit or loss (FVTPL) and difference in market value and cost is recognised in Profit & Loss account as "Net gain or Net loss on fair value changes".

Current investments are valued at cost or market/fair value, whichever is lower. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of Profit and loss.

Intangible assets

Capital expenditure on purchase and development of identifiable assets without physical substance is recognized as intangible assets in accordance with principles given under AS-26 – Intangible Assets.

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the assets are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates.

Depreciation and amortization

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Based on technical evaluation carried out by management, depreciation on fixed assets has been provided for all tangible assets on the straight line method as per the useful life and residual value prescribed under Schedule II, Part-C to the Companies Act, 2013. Residual value has been assessed at 5% of cost of the assets.

Depreciation and amortisation on addition to fixed assets is provided on pro-rata basis from the date the assets are ready for intended use. Depreciation and amortisation on sale/ discard from fixed assets is provided for up to the date of sale, deduction or discard of fixed assets as the case may be. Individual assets costing Rs.5,000 or below are depreciated/ amortised in full in the year of purchase. Depreciation/ Amortisation method and useful lives are reviewed at the each reporting date. If the useful life of an asset is estimated to be significantly different from previous estimates, the depreciation/ amortisation period is changed accordingly

D. Impairment of Non-financial assets

Property, plant and equipment, intangible assets and assets classified as investment property with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the market value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If the recoverable amount of an asset or CGU is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss.

An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

Impairment losses on continuing operations, including impairment on inventories are recognized in the statement of profit and loss, except for properties previously revalued with the revaluation taken to other comprehensive income. For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation surplus.

E. Cash and cash equivalents

Cash and cash equivalents includes cash on hand and at bank, deposits held at call with banks, other short-term highly liquid

investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consists of cash and short term deposits, as defined above, net of outstanding bank overdraft as they being considered as integral part of the Company's cash management.

F. Leases

Operating Leases

Leases where the Lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating lease. Operating Lease payments are recognized as an expense in the Statement of Profit and Loss on accrual basis or SLM.

G. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all potential dilutive equity shares.

H. Provisions, contingent liabilities and contingent assets

General

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that the outflow of resources embodying economic benefits will be required to settle the obligation in respect of which reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the expense relating to provision presented in the statement of profit & loss is net of any reimbursement. If the effect of the time value of money is material, provisions are disclosed using a current pre-tax rate that reflects, when appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as finance cost.

Contingent liability is disclosed in the notes in case of:

- There is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.
- A present obligation arising from past event, when it is not probable that as outflow of resources will be required to settle the obligation
- A present obligation arises from the past event, when no reliable estimate is possible
- A present obligation arises from the past event, unless the probability of outflow are remote.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

Contingent assets

Contingent assets are not recognized in the financial statements.

I. Taxes

Tax expense comprises current income tax and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income tax relating to items recognized directly in equity is recognised in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

The carrying amount of deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow deferred tax assets to be recovered.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized

amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

J. Revenue recognition

Revenue is recognized to the extent it is probable that the economic benefit will flow to the company & revenue is reliably measured.

- a) The Company recognises interest income using effective interest rate (EIR) on all financial assets subsequently measured under amortised cost or fair value through other comprehensive income (FVOCI). Interest Income is recognized on the time proportionate basis starting from the date of disbursement of loan. In case of Non-Performing Assets, interest income is recognized on receipt basis, as per NBFC Prudential norms.
- b) Dividend income is recognized when the right to receive payment is established.
- c) Income from investment in Private Equity Funds ("the fund") is booked as and when the same is distributed by the Fund. Return of capital contribution is reduced from the original cost of investment.
- d) In respect of other heads of income the Company accounts the same on accrual basis.

K. Foreign currency translation/conversion

Financial statements have been presented in Indian Rupees (INR), which is the Company's functional and presentation currency.

• Initial recognition

Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction.

• Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

• Exchange differences

The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in Other income or profit or loss are also recognized in Other income or profit or loss, respectively).

L. Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized, in accordance with the principles laid down in AS-16, during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Borrowing costs that are directly attributable to the projects are charged to the respective project on the basis of expenditure incurred net of customer collections.

Other borrowing costs are expensed in the period in which they are incurred.

M. Employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Ind AS-19 - 'Employee Benefits'.

N. Segment accounting and reporting

On the basis of nature of activity carried out, The Company has identified two reportable primary segments, i.e. Real Estate segment and NBFC activity segment. The disclosure, as per Ind AS 108 for both the segments is made in the financial statements.

- O. Previous year figures have been regrouped/reclassified wherever considered necessary to conform to the presentation of current year financial statements.

P. Recent accounting pronouncements

Ministry of Corporate Affairs ('MCA') notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23 March 2022, MCA issued the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from 1 April 2022, as below:

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the Company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the ‘10 percent’ test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 116 – Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements.

Note-23: EARNINGS PER SHARE (EPS)		
Basic EPS is calculated in accordance with Ind AS 33, 'Earning Per Share' by dividing the profit for the year attributable to equity holders of the company by the weighted average number of equity holders outstanding during the year.		
Diluted EPS is calculated by dividing the profit attributable to equity shares of the company by the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential equity shares into Equity share of the Company.		
The following reflects the income and share data used in basic & diluted EPS computations:		
	For the year ended 31st March	
Particulars	2022	2021
(A) Net Profit attributable to equity shareholders	34583.68	4474.63
(B) Weighted average number of equity shares for basic earning per share	30000.00	30000.00
Effect of dilution	-	-
(c) Weighted average number of equity shares for		
Diluted earning per share	30000.00	30000.00
Earning per share (Basic) A/B	1.15	0.15
Earning per share (diluted) A/C	1.15	0.15

(Note: Previous year figure of EPS has been restated on the basis of number of Equity Shares available after split of shares into Rs. 1 per share from Rs. 10 per share in this Year. This has been done to make both the figures comfortable.
